For great economy – for quick convenience

Dr. Wiley, of Good Housekeeping Institute, indorses Krystalak.

Use it just as you would hiped milk. Four level tablespoonfuls to

s cup of water, or a cupful to a quart. Stir it for a second—it dissolves instantly—and there you have uniform guaranteed clean skimmed milk-for any cooking purpose.

Better for cooking than fluid milk THINK of a milk that never sours that needs no ice to keep it sweet and fresh-that does not have to be stopped up in bottles or in tin cans, but can be opened a thousand times if need be-till

all is used. Think of a milk that is always ready, day or night, on your pantry

shelf-for any milk emergency. Think of a milk which is so economical that milk bills no longer

Think of a milk which has all these blessings and then is nourishing wholesome containing no foreign substances, no adulterants.

Think of these things and you think of Krystalak, for Krystalak is sweet, wholesome separated milk dried to pure crystals of sparkling whiteness. It is rich in the essential elements that produce heat energy and restore wasted tissues of the body.
